EXPERIENCES YOU'LL LOVE

The best part of any journey is the experiences you have along the way, leaving you with memories to relive long after the holiday is over.

Fiji has countless amazing things to see and do. Here are some of our favourite to inspire your wanderlust and a selection of specials to celebrate the not too distant reopening of the international border.

ISLAND BEACH CLUB

Welcome to Malamala Beach Club, the world's first beach club located on its own private island. Grab a day pass and experience the crystal clear waters and white sand beaches, reserve a beachside cabana or relax by the infinity pool while taking in the views across the Mamanucas. Laze beneath a swaying palm tree or explore the cool waters with a kayak or paddle board. A delicious menu offers tasty treats and hand crafted cocktails. It is the ultimate way to switch off and unwind.

SNORKELLING & DIVING

Fiji is known as the soft coral capital of the world and its warm, clear waters offer some of the best year round diving and snorkelling. Vibrant coral reefs surround Fiji's 333 islands and atolls. The Mamanuca and Yasawa Islands are great spots for viewing colourful coral and fish, while the diving off Rakiraki is one of Fiji's best kept secrets. The Great Astrolabe Reef, one of the longest reefs in the world, circles the island of Kadavu. Its passages and drop-offs are a haven for divers.

FIJIAN CULTURE

A village visit is a highlight of any Fijian holiday and provides a great insight into the traditional way of life. Be greeted by smiling children calling out 'bula', take part in a kava ceremony, sample authentic Fijian cuisine at a Lovo feast and marvel at the ancient ritual of firewalking. Watch a meke, from a graceful fan dance to a blood-curdling spear dance, it is a symbolic story told through song and dance. You can experience the culture at one of the many resort cultural nights or reserve a seat at Fiji Untold for the ultimate arts and culture experience.

ADVENTURE ACTIVITIES **SMALL SHIP CRUISING**

In Fiji, many adventure experiences can be checked off even the most impressive bucket list. Pacific Harbour is Fiji's adventure capital and adrenalin junkies will love what's on offer, from thrilling jet boat rides and white water rafting to zip lining through lush rainforests and quad biking. For something a little more laidback try your luck on a fishing charter. In the Yasawa Islands, dive with sharks or swim with the Manta ray. Experienced board riders won't want to pass up the chance to surf at the iconic Cloudbreak.

Go on a journey through paradise and discover the real Fiji. With over 300 tropical islands, a cruise is one of the best ways to explore the crystal waters, tropical atolls and striking volcanic outcrops. Cruising through Fiji is an experience of a lifetime, sail to uninhabited islands, anchor in private lagoons or spend countless hours lazing on golden beaches. Blue Lagoon and Captain Cook Cruises have small cruise ships that can negotiate reefs and remote islands with ease. Snorkel from the ship or go ashore and visit one of the local villages dotted throughout the islands.
