*Life changing*

EXPERIENCES START HERE.....

## EXPEDITION CRUISING | TRAVEL SEMINAR

Hurtigruten is perhaps most known for its operation along Norway's western and northern coast between Bergen and Kirkenes. But as world leader in exploration travel, Hurtigruten also offer expedition cruises in Antarctica, Greenland, Iceland, Spitsbergen, Alaska, Northwest Passage and more.

We invite you to explore some of the amazing itineraries featured in Hurtigruten's 2021/2022 collection plus hear about their **NEW** Book with Confidence booking conditions.

We will also share some of our own travel experiences in these regions and give you a sneak peak into what our Hosted Journeys team will be releasing in the coming months.
